THE PRESIDENT SAYS:

Firstly, I would like to welcome you all to the newly formed Wolseley Car Club, and thank you for your support. I sincerely hope that you all find the Club of enjoyment and benefit to you.

The original idea of the Club was conceived by three Wolseley enthusiasts from the same family. This was my father, brother and myself, and we are extremely happy to find that a large number of people felt the same way about the good old Wolseleys. Even though we only had 11 people at our original meeting, in a matter of only three weeks the number increased to approximately 25 and it is growing all the time. Most of our members seem to share the same views on the Club and what it should be about. It all boils down to fostering friendship amongst Wolseley owners, preserving and presenting well the Wolseley motor car, and last, but by no means least, helping fellow members with their vehicles in any way possible to achieve the aforementioned.

I would like to briefly outline our first annual general meeting for those of you who were unable to attend.

The Committee elected was myself as President, Gavin Higgins as Secretary Treasurer, Ernie Dalton put his head on the block and accepted the nomination for editor, also we have John Inkster and Colin Hey.

We all hope that we can run the Club in a fashion which satisfies everyone and we welcome you to contact one of us at (almost) anytime with any problems or suggestions you may have or any information you may require.

I would like to thank Mr. A.R. Daere, who has kindly offered his legal services in an advisory capacity with such things as drawing up our constitution, and any other legal data connected with the Club. I would also like to thank the gentlemen from J.I. Motors who are enquiring about parts, manuals, etc. for the Club.

At the Annual General Meeting it was carried unanimously correct that subs for the Club be \$5. p.a. and at this point I would just like to remind you that subs are now due. I would again like to thank everyone for their support, and hope that we will be seeing a great deal more of you in the near future

EDITORIAL

In this my first editorial I would like to acquaint all members with the role your Committee sees the newsletter playing in club activities.

Firstly, the main aim of the newsletter must be to keep all members informed of club meetings and activities, both forthcoming and just past.

I will endeavour to have articles of a mechanical and historical nature of interest to Wolseley drivers.

I sincerely hope that as the newsletter becomes established letters to the Editor and contributions from members will play a big part. This is your newsletter as well as mine and your thoughts and information will be much appreciated.

There will be a regular buy, swap, and sell column to help those members with older cars have a further avenue to try and obtain some of those more elusive parts. A nominal charge of 30c per ad. will be made to help boost club funds.

Lastly, there will be a question and answer column to help members in difficulties. I don't always promise answers, but unanswered questions will be thrown over to members through the newsletter for possible answers.

In closing, I would like to welcome you all to the Club and remind you all that any club rises or falls on the efforts and enthusiasm of its members.

Safe driving for you all.

E. L. DALTON
(Editor)
